NOTE: All dimensions above are offered as information only, and should not be used in Custom Gas fireplace construction specifications. Please consult factory for all custom inquiries regarding installation, and dimensions for manufacturing orders. Only signed authorizations will be accepted to complete final manufacturing acceptance. Consult the owner's manual for complete installation instructions and proper clearances to combustible surfaces prior to ordering fireplace.

Warranty: The manufacturer warrants this fireplace to be free from defects in materials and workmanship at the time of manufacture. There is a limited 10 year warranty on the firebox; 5 year limited warranty on the burner and 1 year limited warranty on the pilot burner assembly and fan motors (if included). The valve carries a limited 1 year warranty unless otherwise specified in the installation manual. Glass, plated/painted finishes and refractory lining are exempt.

All specifications, framing dimensions, product designs, materials and colors are subject to change without notice. The actual flame pattern and color may vary slightly from the illustrations. Diagrams and illustrations are not to scale.
